

Employer Solutions from Sage Software

HR and Payroll Management

Government Compliance

Benefits Enrollment

Employee Time Tracking
and Attendance

Employee Self-Service

Training Management

Workforce Recruiting

Lower costs, reduce administrative time, and empower your employees with integrated employer solutions from Sage Software.

It begins with the Sage Abra HR management system, which offers the flexibility to choose the combination of software and services that best meet the needs of your company. That includes SQL server and desktop platforms as well as in-house software and hosted options. Sage Abra HRMS provides a single point of reference for all employee-related information including time tracking, payroll, attendance, benefits, training and more.

Sage Software helps you tackle the most important issues affecting growing companies today. That includes attracting, retaining and developing talent; containing escalating benefits costs; ensuring government compliance and reducing risk of litigation; and improving efficiency.

Your business in mind.

Integrated Employer Solutions to Fit Your Unique Business Needs

HR Management

Sage Abra HR

Manage HR information based on your company's unique structure and business needs. Sage Abra HR is the flexible solution that lets you easily access employee information, providing comprehensive benefits management, powerful analysis tools and reporting capabilities, government compliance and more.

Payroll Management

Sage Abra Payroll

Seamless integration with Abra HR saves you time, eliminates duplicate data entry, simplifies reporting, and automatically links benefits plans in Abra HR to deductions in payroll. Abra Payroll also interfaces with most major accounting packages and time clock systems. Sage Abra Payroll is available in SQL server and desktop platforms, as well as in-software and hosting options.

Sage Tax Filing Services

With Sage Tax Filing Services, the entire tax filing process is managed for your company. Sage tax filing experts will analyze your payroll tax data, verify tax due dates, handle payment and provide you with status reports.

Sage Payroll PayCard

A solution to distributing paper paychecks is the payroll debit card, designed to save your company money by reducing payroll costs and making it easier for you to pay employees, especially those with no bank account.

Self-Service Solutions

Sage Abra ESS

Automate your company's business processes and give employees ownership of their personal information with Sage Abra ESS. With superior workflow capabilities and highly customizable features, Abra ESS provides a central location for employees, managers and administrators to view and manage important personal data and company information.

Attendance Management

Sage Abra Attendance

Expand your attendance tracking capabilities in Abra HR and Abra Payroll. Abra Attendance allows for easy setup of virtually unlimited variations of

employee attendance and time-off plans, including vacation, personal, bereavement, illness and jury duty time off management. Easily customizable, Abra Attendance saves time and streamlines business processes while greatly reducing workforce costs.

Sage TimeSheet - Abra Edition

Sage TimeSheet – Abra Edition is a Web-based application designed specifically for businesses using Sage Abra Payroll (v7.x), allowing for quick,

Lower costs, reduce administrative time, and empower your employees with employee workforce solutions from Sage Software.

easy entry and collection of employee timesheet data. Features include Web-based timesheet entry, online approval process, automatic e-mail reminders, a time clock interface and expense tracking for easy reimbursement and reporting.

Benefits Management

Sage Abra Benefits Enrollment

Empower employees with detailed, 24/7 benefit administration access to benefit plans over the Internet or your company intranet. Features include step-by-step customizable wizards, life events management, automated workflow and elections comparisons.

Sage Abra Benefits Messenger

Abra Benefits Messenger simplifies the process of communicating with benefits carriers by managing all of the setup and details for you. Abra Benefits Messenger works hand in hand with Abra HR, eliminating potential errors by transmitting employee enrollment data directly from your Abra HR database to your benefit carriers.

Employee Training Management

Sage Abra Train

Administer internal training programs and keep track of employee certifications with Sage Abra Train. In addition to a full range of training management and certification features, Abra Train also includes a variety of cost/benefit analyses that ensure effective management of cost tracking and allocation.

Workforce Recruiting

Sage Abra eRecruiter

Sage Abra eRecruiter is a Web-based process-oriented system that automates applicant tracking to streamline the hiring process. Features include

easy job posting to career centers, job board integration, online resume applications and routing, simple requisition management and quick candidate search options.
